massiveGRID

Marketing Officer - Intern

We are MassiveGrid, a global high-end Service Provider, with more than 15 years of hands-on experience in the fields of high-availability service hosting, turn-key service solution and development. Our services are designed for demanding clients that run Business-Critical Services or need high performance and large network capacity.

We are a team of passionate engineers that our extensive technical expertise and broad experience in problem solving allows us to provide high-quality customized telecoms & IT solutions to any technological challenge.

We are looking for a self-motivated and enthusiastic student to join and support our growing department.

Your responsibilities will include:
- Assist in researching, planning and implementing marketing activities through various media channels.
- Help with marketing activities or events to raise brand awareness.
- Reporting on trends and statistics across all digital media platforms.
- Performing market analysis and research on competition.
- Participate in marketing brainstorming sessions.
- Help organize marketing events.
- Supporting the marketing team in daily administrative tasks.

Knowledge & Skills:
- Communication skills, both written and verbal.
- Familiarity with business software (Microsoft Office etc) and social media platforms.
- The ability to work to deadlines and targets.
- Willingness to learn and develop marketing skills.
- Fluent English (written and spoken).
- Creative mind and teamwork spirit.

We Offer:
- Fully remote options.
- Access to books, online courses and relevant educational resources.
- Being part of a workplace that offers continuous learning and development and incredible opportunities to upgrade your career.
