Software Consultant (Patra)

We are Entersoft a leading business software and services provider in South East Europe and the Middle East for ambitious enterprises of all sizes and verticals. We offer an integrated business software suite with ERP, CRM, Retail, WMS, Mobile, e-Commerce and e-Invoicing as well as a range of software for Verticals such as Pharma Distribution and Pharmacies, Retail, Real Estate and others.

Our **mission** is to provide constantly innovative and effective full range integrated Enterprise Applications along with high quality services and support to help our customers realize their ambitions. With more than 20 years of experience, thousands of clients in almost all verticals, a competent and highly skilled Channel Partner network and more than 600 employees, we continuously invest in advanced technologies and professional development of our people to ensure maximum efficiency and long-term collaborations.

We are expanding our *Software Consultants team* in **Patra** and we are looking for enthusiast professionals for the role.

About the Role:

- Assist in customer's requirements analysis
- Implement and customize Software according to customer's needs
- Provide training to customers and achieve their smooth introduction to the new software environment

Desired Skills & Experience:

- Studies in Accounting, Finance, Information Technology, Computer Science or any other related field
- Knowledge of ERP/CRM/WMS Softwares will be considered an asset
- Familiarity with SQL would be a plus
- Team player
- Interpersonal skills
- Fluency in English
